

Childcare

(6 Weeks - 5 Years Old)

SPACS offers a licensed childcare program that allows children to learn social skills in a safe and loving environment. By promoting spiritual, cognitive, and physical development each child has the opportunity to engage in activities that are geared to their interests while challenging them at their individual ability level.

Childcare Hours

Monday-Friday: 6:30 a.m. – 5:30 p.m.
Breakfast, Lunch, and Snacks are provided.

Weekly Rate (5 full days)\$160.00

2nd Child 10% discount
(must attend a minimum of 3 full days per week)

Earn Tuition Dollars for Kindergarten

Are you going shopping, buying groceries, purchasing gasoline, going out for lunch or dinner, or going on vacation anytime soon? You could turn all of these purchases into tuition dollars towards your child's education at the Stevens Point Area Catholic Schools (SPACS).

How? By using the SPACS Gift Card Program! Through this program SPACS purchases gift cards from a large selection of national and local businesses at a negotiated discount, ranging anywhere from 2-50%. The gift cards are in turn sold to customers at face value with the discounted percentage being applied to your tuition.

For example, SPACS purchases one \$10 gift card at a 5% discount. SPACS will pay \$9.50 for the gift card and sell it to you for \$10 or face value. A 50¢ earning is made on that transaction, half of which goes to help operate the SPACS System and the other half is applied towards your tuition.

A SPACS Gift Card Program Account can be established for a family at any time and credit can be earned from birth to age five before entering kindergarten. Taking advantage of the program over five years could significantly reduce tuition costs.

To learn more, visit our web site, www.spacs.org and click on Support Us, for more information about the Gift Card Program.

Preschools

SPACS offers a well-established and innovative preschool program with a Catholic emphasis for children ages 3-4. The program is taught by highly qualified staff at St. Bronislava Preschool in Plover and at St. Joseph Early Childhood Center in Stevens Point. Low student/teacher ratios and classroom aides allow teachers to focus on faith development, literacy, social and readiness skills.
